Dear Cross Talk

I want to thank you so much for
you gift that you sent me, the envelopes
and stationery, it was so nice of you.
And they were really beautiful. People
seem to forget, well some people do, when
you get locked up - I just made another
mistake in my life, and it had to do
with helping my daughter out - I also
want to bring to your attention that
the letter about a mother that was
written by Darlene Guimlet, hit
home with me - I mean I had to read
it twice, and this is what I was going
through with my mom, and I had to
let her go - I do love her, but all she did
was hurt me. After I read that I felt
so much better thank you. Your ministry
are in my prayers. God bless you all

Your Sister in Christ
